Evacuees who have property stored in W.R.A. warehouse
in Los Angeles are required to pay delivery
charges on their property if they live within a
25 mile radius of warehouse. Evacuees
who have had their property shipped to
Center and then shipped back to L.A.
pay no delivery charges. Evacuees who
have cost the government less are being
penalized under present regulations. ~~Has~~ Has
any change been made? If so, what? If
not, is any contemplated? If so when and
what? Please teletype project director
